

Flt 14 LASE FLL to STX Transit #2

Submitted by **rferrare** on Sat, 09/11/2010 - 09:38

- **LASE**
- **Gaston**

Flight Date:

Thursday, September 2, 2010

Sortie Number:

14

LASE operated well during the transit from FLL to STX. During the flight LASE observed dust north of Hispaniola. The LASE observations of dust were used to direct the DC-8 into this layer for in situ sampling by the LARGE instruments.

Status:

Green
